FEATURES

- Ready to ship in 48 hours with on-hand inventory to support immediate job requirements
- Easily change the color temperature and lumen output on-site with built-in switches, providing ultimate flexibility
- Easy to install and service with long-lasting performance
- Low-profile depth for shallow plenum
- Frosted acrylic lens provides smooth illumination for visual comfort
- Rated for direct contact with insulation
- High-performance up to 164 lm/W
- Quick-wire access plate in back of fixture housing for easy attachment of incoming power supply
- All parts painted after fabrication to provide safe installation without gloves
- Made Right Here® in the USA
